President  
Taiwanese American Professionals

Dear Ms. Hwang:

It is my pleasure to invite your organization to be a community co-sponsor of our **Lunar New Year Reception** to be held on **Thursday, January 27, 2011** at the **SeaCliff Country Club**, 6501 Palm Avenue, Huntington Beach, CA, 92648 to celebrate the diverse culture and achievements of the Asian Pacific American community and welcome the Year of the Rabbit.

OCA-OC would like to showcase various APIA community organizations in Southern California that have provided their communities with immeasurable resources, guidance, and support. We have identified yours to be an exceptional model and would be honored to list OCA – Greater Los Angeles as a community co-sponsor. To bring about significant progress for the APIA community requires teamwork and coordination. We hope that this event will be one of many future opportunities for our organizations to work together.

As a community co-sponsor, all we ask is that you promote this event to your membership and contact lists in your e-mails, newsletters, etc. In return for your help, we would be happy to recognize your organization in our promotional literature. You may contact Nap Chan, OCA President, or Daniel Chew, OCA-OC Vice President, for reservations, and event information.

At this event, we have invited guest speakers **Roy Choi** (Executive Producer of the Kollaboration movement and talent show), **Judge Richard Lee** (newly appointed Orange County Superior Court) and a special cultural performance group to kick off the reception.

Founded in 1973, OCA is a national organization dedicated to advancing the social, political, and economic well-being of Asian Pacific Americans in the United States. OCA aims to embrace the hopes and aspirations of nearly 12 million Asian Pacific Americans in the United States

We thank you for your thoughtful review and look forward to hearing from you very soon!
